Introduction to Geography

Geography Introduction	Command Cards		provide when needed
Geography Introduction	Geography Nomenclature		provide when needed

Chapter I: Creation of the Earth/Idea of the Universe

Geography Chapter 1: Creation	God with No Hands - experiments - follow-ups	1	6 repeat yearly
Geography Chapter 1: Creation	Additional Creation stories	4	6
Geography Chapter 1: Creation	Composition of the Earth	1	3 review as needed, with deeper detail
Geography Chapter 1: Creation	Further Details of the Composition of the Earth (stages)	3	6 typically upper elementary work
Geography Chapter 1: Creation	Formation of the Mountains	1	6 upper elem most ch'n; some ch'n lower el

Chapter II: Nature of the Elements

Geography Chapter 2: Nature of Elements	Three States of Matter	1	3 1st year to extend GWNH; but repeat
Geography Chapter 2: Nature of Elements	Further States of Matter	1	4 for interested ch'n; all upper el children
Geography Chapter 2: Nature of Elements	Different Ways of Combining	1	3 extend work in upper elementary
Geography Chapter 2: Nature of Elements	Separation, Saturation, Super-saturation	1	3 extend work in upper elementary
Geography Chapter 2: Nature of Elements	Attraction and Gravity	1	3 extend work in upper elementary

Chapter III: The Sun and the Earth

Geography Chapter 3: Sun and Earth	Rotation of Earth and Consequences (stages)	1	2
Geography Chapter 3: Sun and Earth	Time Zone Chart	1	5
Geography Chapter 3: Sun and Earth	Earth as a Sphere and Its Result	1	1
Geography Chapter 3: Sun and Earth	Tilt of the Axis: Solstice, etc	1	4
Geography Chapter 3: Sun and Earth	Seasons and the Two Tropics: terminology from tilt	1	5
Geography Chapter 3: Sun and Earth	The Zones	1	2
Geography Chapter 3: Sun and Earth	Protractor Chart	1	3
Geography Chapter 3: Sun and Earth	Seasons Work Chart	1	3
Geography Chapter 3: Sun and Earth	Protection of the Atmosphere and the Rains	1	3

Chapter IV: The Work of Air

Geography Chapter 4: Work of Air	Experiments Prelude to the Winds	1	3	present as appropriate to situation
Geography Chapter 4: Work of Air	The Winds	1	3	
Geography Chapter 4: Work of Air	Land and Sea Breezes	1	3	

Geography Chapter 4: Work of Air	Changes in the Winds Caused by the Seasons	1	3	
Geography Chapter 4: Work of Air	Rains	1	3	
Geography Chapter 4: Work of Air	Work Chart of the Winds	1	3	
Geography Chapter 4: Work of Air	Ocean Currents Caused by Winds	1	3	
Geography Chapter 4: Work of Air	Wind as a Sculptor - presentation	1	5	
Chapter V: The Work of Water				revisit 3-4 times throughout elementary
Geography Chapter 5: Work of Water	The River	1	6	
Geography Chapter 5: Work of Water	The Rains - Erosion	1	3	
Geography Chapter 5: Work of Water	Ocean Waves	1	6	
Geography Chapter 5: Work of Water	Ice	1	6	
Geography Chapter 5: Work of Water	Water Cycle	1	2	
Geography Chapter 5: Work of Water	Spread of Vegetation	1	4	
Geography Chapter 5: Work of Water	People in Different Zones	1	5	includes research
Chapter VI: Human Geography				
Geography Chapter 6: Human Geography	Groundwork Activities	1	1	could begin in primary
Geography Chapter 6: Human Geography	Human Geography (Economy)	1	4	
Geography Chapter 6: Human Geography	Overview of Local Government	3	4	
Geography Chapter 6: Human Geography	Follow-Ups	4	6	see album page for suggestions
Geography Chapter 6: Human Geography	Study of Natural Resources - Introductions	3	4	Pre-req: all previous in this chapter
Geography Chapter 6: Human Geography	What is Produced and Where	3	4	
Geography Chapter 6: Human Geography	Study of Consumption	4	6	pre-req: all previous materials
Geography Chapter 6: Human Geography	Study of Consumption - Follow-Up (extensive)	4	6	lays foundation for adolescence
Geography Chapter 6: Human Geography	Comparison of Production and Consumption	4	6	
Geography Chapter 6: Human Geography	Imports and Exports:	4	6	
Geography Chapter 6: Human Geography	Volume of World Trade	4	6	
Geography Chapter 6: Human Geography	World Commerce	4	6	
Chapter VII: Functional Geography				
Geography Chapter 7: Functional	Review primary level skills			
Geography Chapter 7: Functional	Provide pinpoints as state requirements dictate			
Geography Chapter 7: Functional	Present skills as part of Goings Out			
Geography Chapter 7: Functional	apply skills to other aspects of real life			
Geography Chapter 7: Functional	Geography included in history and language			
FINAL NOTES	Get the children exploring on their OWN.			

Explore every chapter; do not go straight through
Present almost all in lower elementary
Review in upper elementary with lots of extension
and personal research at both levels.
MOST topics explored EVERY year.
